

Police & Crime Commissioner's Property Fund

Approved Applications - January 2022

Peter McCall

Department/ Organisation	Brief Summary of Decision Required	How the application links to the Police and Crime Plan	Amount awarded £
Eden Country Watch	This funding will be used to purchase equipment to target rural crime offenders. Request made for 10 gate alarms to be installed in rural farm locations and 6 covert asset trackers to be installed on farm vehicles such as quad bikes. The funding will address focus on victims, and preventing offending.	The project will assist local farmers and rural businesses in the security of their property. Rural crime is on the increase and this will help to protect and prevent equipment being stolen.	£1,900.00
Cumbria Deaf Association	Funding to be used to create regular drop in meetings for the deaf community to meet with a PCSO and to discuss any concerns they may have.	This project will support members of our community who are having trouble communicating with the constabulary due to the correct facilities not being available.	£554.04
Ulverston Cricket Club	Funding to be used to assist in the installation of state of the art netting facilities, to encourage people in the local area to get involved with Cricket at the club.	This project will enable local young people to get involved with sport, providing them with an activity to discourage possible Anti-Social behaviour in the local area.	£2,500.00
Cumbria Neighbourhood Watch Association	This funding will be used to purchase SelectaDNA Forensic Marking Kits, UV Tracer and microdots and tamper proof TESA labels and to erect signage at entrance ways to rural properties.	The project will assist local farmers and rural businesses in the security of their property. Rural crime is on the increase and this will help to protect and prevent equipment being stolen.	£1,981.01
Waberthwaite C.E. Primary School	This funding will be used to erect a permanent running track in the grounds of the school.	The project will encourage both school pupils and the local community to use the facility at the school. Thus helping to prevent Anti-Social Behaviour and creating a better local community.	£2,000.00
Maryport Solway Sea Cadet Unit	This funding was requested to provide four mountain bikes for the cadets.	The project will support young people and provide diversionary activity aimed at reducing incidents of ASB and risks of engagement in criminality.	£2,400.00
Keswick Judo Club	This funding was requested to provide 25 judo mats for the judo club, so that they can enrol more members in to the club.	The project will support young people and provide diversionary activity aimed at reducing incidents of ASB and risks of engagement in criminality.	£2,500.00

Silloth Rugby Union Football Club	Funding requested for 30 new age appropriate rugby balls with bags, new tag belts, water bottles and carriers, new cones and poles for sectioning, first aid kits and tackling and wrestling mats and bibs.	This project is to enable the Rugby Club to encourage younger members to be involved in rugby. This will work as a diversionary activity aimed at reducing incidents of ASB and risks of engagement in criminality.	£1,700.60
Penrith Pumas WRC CIC	This funding was requested for essential spare parts for bespoke wheelchairs and other fitness equipment for rugby sessions for less mobile members.	This project will enable the community to become involved in a sport, encouraging community activity and also working as a diversionary activity which will help to reduce incidents of ASB.	£2,500.00
Aspatia Hornets Rugby League FC	Due to increased interest in the sport, funding has been requested to purchase additional equipment to accommodate the extra members	This project will support young people to get involved in a sport and provide a diversionary activity aimed at reducing incidents of ASB and risks of engaging in criminality.	£1,305.92
Cartmel Priory C of E School	This funding was requested to provide basketball hoops on the school property	This project will support young people to get involved in a sport and provide a diversionary activity aimed at reducing incidents of ASB and risks of engaging in criminality.	£2,400.00
Kendal Youth Zone	This funding was requested to offer youths the opportunity to use the climbing wall at Kendal.	This project will support young people to offer them a diversionary activity aimed at reducing incidents of ASB and risks of engaging in criminality.	£2,500.00
Maryport ARLFC Youth Rugby	Funding requested for coaching and safeguarding courses for the club.	Due to increased interest in the sport, more coaches are required, this will then enable more young people to get involved in a sport and provide a diversionary activity aimed at reducing incidents of ASB.	£2,500.00
Great Clifton Community Youth Group	This funding was requested to support the hire of inflatables for upcoming fun days in Great Clifton.	This project will enable the community to come together on a fun day, so support young people and provide diversionary activities aimed at reducing incidents of ASB and prevent offending.	£355.00
T.S. Cumberland - Carlisle Sea Cadet Corps	Funding requested for musical instruments to inject some interest in to recruitment into the Sea Cadets.	This project will support young people to get involved in a group interest and provide a diversionary activity aimed at reducing incidents of ASB and risks of engaging in criminality.	£2,427.00
Business Against Crime South Lakes Partnership	Funding has been requested to further enhance a digital platform used to provide support to public houses and shops in the area.	This project will focus on crime and reducing the opportunity to cause crime by preventing offending and re-offending in public/shop premises through community contact via a digital scheme to identify possible offenders visiting their premises.	£2,500.00
Morton Manor Community Centre	Funding has been requested to support extra sessions of boxing training for young adults in the Morton Manor area.	This project will focus on preventing offending and re-offending by offering young people the opportunity to engage in diversionary activity and reduce incidents of ASB.	£1,406.38

Shap Parish Council	Funding has been requested to install static fitness equipment in the village	This project will focus on preventing offending and re-offending by offering young members of the community the opportunity to engage in diversionary activity and reduce incidents of ASB.	£2,500.00
Sankaikuni Judo	Funding has been requested for new protective mats for dojo at Judo club.	This project will prevent offending and re-offending by offering young people the opportunity to engage in diversionary activity and reduce incidents of ASB.	£2,500.00
